

Diamond Girl Theme Song

Diamond Girl — You Sure Do Shine
Glad I Found You — Friend Of Mine

Yes, Girl — You're Like A Precious Stone
And With Best Friends — You Are Not Alone

Makes No Difference — Where You Are
Day Or Night Time — You're Like A Shining Star

**Yes, We Are Shining — Diamond Girls
Getting Ready — To Step Into The World**

Diamond Girl — Shining Bright
Diamond Girl — Doin' Right

You Are My Best Friend — So True
I Know I Can Always — Count On You

Can't You See — The Friendship Here
We're Together — In Laughter And In Tears

**Yes, We Are Shining — Diamond Girls
Getting Ready — To Step Into The World**
